

Letter of recommendation

To Whom It May Concern,

It is our pleasure to provide this letter of recommendation for Mr. Basile Suliman, who has engaged with the Embassy of the United Arab Emirates in Paris through embassy events and academic initiatives.

Mr. Suliman participated in a Majlis-style interactive discussion co-organized by the Embassy of the United Arab Emirates in Paris and Sciences Po Monde Arabe, of which he is an active member. The event brought together approximately thirty Sciences Po students for an open discussion with His Excellency Ambassador Fahad Saeed Al Raqbani and members of the diplomatic team, focusing on the UAE's strategic priorities, UAE–France bilateral relations, and developments in artificial intelligence.

He was also invited to attend the Embassy's UAE National Day reception in November 2025, providing a further opportunity to engage with representatives of the Embassy and the diplomatic community.

Mr. Suliman demonstrated professionalism, intellectual curiosity, discipline, a strong work ethic, and a genuine interest in international affairs. He engaged thoughtfully and respectfully with diplomats and institutional representatives.

We are pleased to provide this letter upon Mr. Suliman's request and wish him success in his future endeavors.

Sincerely,
